

RM Titanium Euro Plus

SAE 5W30

Previously known as RM Signature VW Plus SAE 5W30

Description

RoadMaster Titanium Euro Plus is a high performance full synthetic oil for gasoline and diesel engine service developed specifically to meet the performance specifications of VW 504 and VW 507. By using RM Titanium Euro Plus, it will ensure engine cleanliness which will reduce harmful emissions which are detrimental to the environment.

Applications

RM Titanium Euro Plus SAE 5W30 is suitable for:

- Developed for the latest generation of both gasoline and diesel engines especially when equipped with particulate filters and turbochargers
- It provides cleaner engine and particulate filter
- Lower emissions
- Better fuel economy

Features & Benefits

RM Titanium EURO Plus is:

- Formulated on unique synthetic base oils and the latest additive technology providing the required protection for today's sophisticated FSI, TDI and turbocharged engines
- A SAE 5W30 engine oil for both diesel and gasoline engines with particulate filters requiring either VW 504 or VW 507 performance specifications. RM Titanium Euro Plus can also be used in most cases where VW specifications from the year 2000 and later are called for.
- Suitable for use in Mazda diesel engines requiring JASO DL-1 5W30 oils
- Suitable for engines requiring protection against LSPI (Low-Speed Pre-Ignition)

Specifications

Properties	Method	Result
Specific Gravity @ 20°C	ASTM D1298	0.848
Kinematic Viscosity @ 40°C	ASTM D445	69.8 cSt
Kinematic Viscosity @ 100°C	ASTM D445	12.1 cSt
Viscosity Index	ASTM 2270	171.9
Sulphated Ash %Wt	ASTM D874	0.6
Total Base No. mg KOH/gm	ASTM D2896-11	6.7
Cold Crank @ -30°C		6100
Pour Point °C	ASTM D97	-36

RM Titanium Euro Plus

SAE 5W30

Previously known as RM Signature VW Plus SAE 5W30

Performance Levels

API SP	JASO DL-1	VW 504
ACEA A3/B4 – 21 (2021)	MB 229.31	VW 507
ACEA C3 – 21 (2021)	MB 229.51	BMW Longlife – 04
Opel OVO401547	MB 229.52	Porsche C30

Additional Information

RoadMaster Titanium Euro Plus provides the highest performance due to a combination of an ash reduced additive package with a special synthetic base oil, and has been approved to VW 504 (gasoline engine) and VW 507 (diesel engine) specifications.

A cleaner particulate filter maintains engine performance.

- Protects the engine from wear all year round
- Optimises engine performance
- Maintains fuel economy
- Reduces environmental impact through lower emissions

Master Item# 1194

Pack Size Availability: 5L, 20L, 200L & IBC = 1000L
