

### Product Description

**Anglomoil Aqua Clean** is a concentrated bio-degradable, water based, alkaline detergent. It is non-toxic, non-flammable and completely safe to use in water board trade waste applications. Perfectly suited to the automotive, commercial, industrial and marine industry. Aqua Clean can be used as a car, truck and bus engine and chassis degreaser, workshop floor cleaner and even upholstery and window cleaner. Suited for Marine use as a bilge cleaner, deck cleaner and sail cleaner.

### Product Features & Benefits

- **High Concentration** allows for maximum economy.
- **Bio-Degradable, Non-Toxic, Non-Flammable** therefore safe in oil traps/separators, septic tanks, bilges and grey water.
- **Multi Purpose** when diluted Aqua Clean can be used for most workshop, manufacturing plant and even household cleaning.
- **Environmentally Friendly** alternative to caustic and petroleum solvent based degreasers.
