

## Product Description

Anglomoil Truck Wash is a water based wash for trucks, cars, 4WD's, boats, caravans, buses and bikes.

## Product Features & Benefits

The formulation is non caustic, odourless, with no solvents, no detergents and has low foam properties.

- \* Will not harm paintwork.
- \* Gentle on hands.
- \* Economic to use because it is super concentrated.
- \* Environmentally friendly.
- \* Gives a cleaner drier washed surface so new dirt deposition is minimised. Therefore, vehicles can be washed less frequently, saving money and time.

## Additional Information

### Dilution

1 part of Truck wash to 20 parts of water for normal wash. Can be more concentrated or diluted as required.

### Directions

Hose down surface with water prior to cleaning.  
Apply diluted Truck Wash solution with brush, sponge or sprayer to pre-wetted surface.  
For extremely soiled areas, work the surface with bristle brush.  
Hose off surface thoroughly with plenty of clean water before surface dries.  
Always wash vehicles in shaded area.

### Storage and handling

Keep containers securely sealed. Store in a cool, well ventilated area away from incompatible materials.

### Typical Characteristics

	Anglomoil Truck Wash
Appearance	Clear yellow liquid
Specific Gravity	1.01—1.10
pH (neat) @ 20°C	12.5
Solubility in water (g/L0	Miscible
Evap. Rate	Not availab.e
